

Dining Update / Lesley On The Go Market is OPEN

Hi,

I would like to announce the “Lesley On The Go” market has opened!

Lesley On The Go – Located across from the Porter Café, this market will provide food to go. This is an attendant free market that uses AI technology and will be open when University Hall is open. Please share thoughts of what you would like to see offered in the market to Hospitality@lesley.edu.

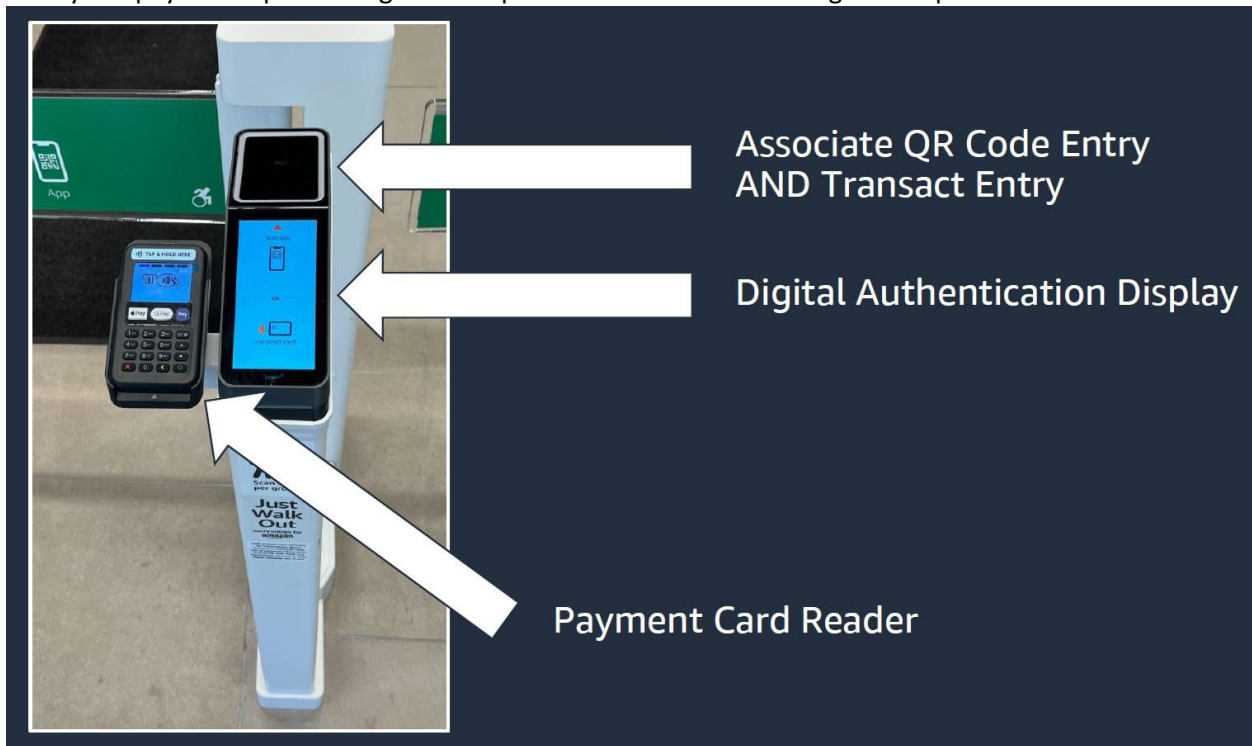

What is Lesley On The Go – it is an Amazon Just Walk Out market that after securing payment you can walk in and take the products you want and just walk out the exit. *It's that simple.*

You can use a credit or debit card or if you set up your Campus ID (Campus Card) in the Mobile App you can also pay with CashLynx or if you have a meal plan you can also use your Dining Dollars.

Please tap the link for an overview of how it works.

<https://m.media-amazon.com/images/I/F1CR5b5CN-L.mp4>

To enter the store, you will need one form of payment, either credit or debit card or the QR code generated from your Mobile App. Please see below the entry gate payment option post. Once you satisfy the payment option the gate will open. Please don't force the gate to open.

Please note you will need **\$20.00** or more on your payment option to enter the market.

Important Need To Knows:

All your actions around the market are videoed. Everything you take out of the market will be charged to your payment method.

Dining Update / Lesley On The Go Market is OPEN

If you overdraw your payment method, you are responsible for the balance you owe.

If you allow a person or group to enter the market with you all items taken by your guests will be charged to your payment method.

If your payment is with a credit or debit card, please enter your email on the tablet kiosk by the exit to receive a receipt.

If you pay with a QR code from your Mobile App the receipt will automatically be sent to the email associated with your campus card within 45 minutes.

Please be aware of your balance using the Mobile App if you reenter the market within 45 minutes your balance may not have updated, and you will be responsible for any overdrawn payments due.
