

REUSEABLE TO-GO CONTAINERS AVAILABLE HERE

**\$5 one-time
purchase**

Use your Dining Dollars or CashLynx

80,000 PLASTIC CONTAINERS

Will be removed from the waste stream thanks to our new to-go containers. Lesley Hospitality is pleased to present this new sustainability initiative.

HOW IT WORKS

- Purchase a reusable to-go container for a one-time fee of \$5
- Fill up your container with a meal and save the container for the next time you visit Washburn Hall
- At your next visit, swap your used container for a clean container at the register

To-go containers can be purchased using Dining Dollars, CashLynx, Credit, Debit or Cash. Receive a new container by returning the old one or presenting a voucher coupon. Voucher coupons are available from the cashier. To-go containers are microwave safe. If you lose your container, you will need to purchase another.
